THE 1940 FOOTBALL SEASON

Immediately below is a record of the various teams. This year instead of having clean cut divisions between the various Midget teams, we had to arrange quite often to suit our opponents. Sometimes they wanted to play reserves without regard to weight. This meant that any player who did not participate in that week's Varsity game was eligible. The result of these games, while listed in the 125-pound column, have B before them. Then there were a number of teams that wanted to play us with their so called "C" team. C teams might have the weight regulation, or it might not, but they had this requirement, that no boy must participate who had had any Varsity experience.

The result of these games is listed separately. The players who participated were the most experienced of our 125-pound squad.

As most of you Old-timers know, members of our 125-pound team are substitutes on the Varsity. Members of the 165-pound team are substitutes on the 125. Members of the 85-pound team are substitutes on the 100. In this way a few of the better players get experience in the next higher classification and are better able to do their chores the succeeding year. Whenever we would play under C team requirements, it meant that quite a few of the key men of our 125-pound squad were missing. William Billings, James Shroyer to mention two!

Now, for a running account of the season. First, the varsity. We started out the season at Morranton, playing the Western Conference Champions! A team that had not suffered defeat since our game with them of the year before. To everyone's amazement, Barium defeated this strong, well coached team, 31-0 the identical score that the 1939 game ended in. Roach and Gibbs both showed up good in this game, with one dream touchdown, made by a substitute. It was like this: This game being one of the opening games of the season, was being very profusely photographed. On almost every play photographers would flash their bulbs and then when time was out, they would sit down on the bench with the players. William Billings, one of the Barium substitutes, remarked to one of these photographers not to use all of his bulbs, but to save one for his touchdown. Well, late in the game, Billings was sent in as a substitute and Fletcher threw him a long pass, which he took in beautiful fashion and ran for a touchdown and photographers were right on the spot to catch him!

The following week Barium opened Charlotte's season at the big stadium in Charlotte, playing to the biggest crowd

that was present at any High School game in North Carolina this season between eight and nine thousand people. And the game didn't disappoint anybody. Charlotte scored on the last play of the first half, but did not complete the extra point. Barium running a high-blood press over that score started out in the second half and promptly pushed over a touchdown, tying the score. Then in a moment of relaxation, on the part of our team, Davy Coats, of the Charlotte team, broke loose and ran eighty yards for Charlotte's second touchdown. They completed the point after and Barium was definitely in the hole. We came back again, however, making the second touchdown and tying up the final score at 13-13.

A week later Barium opened its home season with the Mills Home, and played the closest game of any of the entire season. Finally coming out with a 7-0 victory. The touchdown was the result of a pass, Roach to Fletcher.

The following week, Barium went to Winston to help the Children's Home celebrate Home-Come day. This was probably the most exciting game of the season.

The game started out with the Children's Home marching down the field for a touchdown, in their old irresistible manner! Just a few minutes later, however, Barium came back with a touchdown, the result of a pass, Roach to Norman, and then just a little bit later a second touchdown, a pass, Roach to Gibbs. This is the way the score stood at the half. At the beginning of the second half, about the third play, Roach ran 70 yards for a touchdown. Then Children's Home scored one, then Barium scored one - the result of a beautiful pass to the end zone, which was taken by Gibbs who was surrounded by Children's Home players. On the next to the last play of the game, the Children's Home scored - the final result being, Barium 26, Children's Home 21.

Back home again! With Barium beating their old rivals, Concord! This was a game that is a ways interesting and is one of the most popular of Barium's home games. The final result was Barium 37, Concord 6. Concord was in a slump following their very hard game with Kannapolis the week before.

The following week Barium journeyed to Lexington and suffered its only defeat of the season. The score being 13-0 in favor of Lexington. Lexington is by common consent the best High School team in North Carolina and the score is a true indication of the difference in the strength of the two teams. Pound for pound the teams were on a par, but

Banquet For Football Team In December

Hugh Norman Is 1941 Captain.—Special Awards and Letters Were Given

Barium Springs' 1940 gridiron warriors were on Friday night, December 6th, dined and feted at the Presbyterian Orphans' Home in the annual football banquet that is given the midget and varsity teams in recognition of their exploits. R. G. Calhoun, principal of the school and one of the coaches, was toastmaster of the occasion when more than 200 people assembled to partake of the delicious meal that had been prepared.

Those present included members of the 85-, 100- 125-pound and varsity squads, the personnel and teachers on the staff at the Presbyterian Orphans' Home, the senior class of the high school and guests from Statesville, Trenton, Davidson and Gastonia. The serving of the banquet consumed an hour, a half-hour was necessary in making awards, and another 45 minutes were spent in witnessing moving pictures of the Davidson-Citadel football game played in Wilmington on November 30th and which were shown

GOOD NEWS

This article, as usual, deals with good news in reference to the regular giving to the Home at Barium Springs. There is one significant item available for recording in the December issue of The Messenger. It is this:

Commonwealth Avenue Sunday School, which has only recently been organized in Charlotte having originated as a mission point of the Caldwell Memorial Church, has already adopted the offering-per-month plan and has sent its first response to Barium Springs! It's significant when Sunday Schools which have been in existence for a long time institute such a program, but it is especially noteworthy when one of the "baby" Sunday School adopt such a plan at the very outset of their organization.

Constantly being urged is the adoption of a systematic plan of assisting the Home covering a span of 12 months, rather than have to depend upon the Thanksgiving Offering for one-half of the contributed total each fiscal period. One of the biggest avenues of such aid is through the Sunday Schools, which not only help Barium Springs but also develop in their members a spirit of benevolence that finds reflection in giving to all of the causes.

Bulletin Issued On Thanksgiving Offering

The question most frequently asked at Barium Springs recently has been this, "Well, how did the Thanksgiving Offering come out?" That's been a query ever since Thanksgiving Day, but a positive and definite answer will not be possible for some time since so many reports are still in the hands of local treasurers and have not been received at Barium Springs.

It is known that on December 20th, \$34,162.38 had been received from churches, 329 of which had completed their reports to the Home, and many of whom had reported Thanksgiving Offering partially. Of the 329 reports which had been marked "complete", 194 of them had given as much, or more, than in the season of 1939, and 59 churches had the distinction of making their best Thanksgiving Offerings to Barium Springs since the Thanksgiving period of 1915 - as far back as the records have been checked.

A daily report is kept on the receipts and the churches completing their reports, and this information is always available, but if the usual experience holds true this year, then over \$5,000 of the Thanksgiving Offering will come in January alone.

Some of the churches have

Memorial Rooms

Another living room and another bedroom have been provided with \$200.00 and \$100.00 gifts, respectively, since the November article on "Memorial Rooms" was written and appeared in last month's copy of this paper. Nine bedrooms and two living rooms have therefore been spoken for by individuals, most of whom are giving these amounts to Barium Springs as memorials to loved ones.

The \$200.00 gift was given by a lady who contributed it as a memorial to her husband, who died in October of 1938. The other \$100.00 contribution, which was endorsed here so that it could pass through the hands of Synodical treasurer was given by an individual but was not designated as a memorial to anyone. That person simply wanted to know that she was having a part in furnishing the new cottages which are to be constructed at Barium Springs.

This makes a total of \$1,300.00 that has been given toward the furnishings of the cottages, and at the rate that the rooms are being asked for, the necessary money will be in hand to furnish them when the cottages have been built and ready for occupancy.

Any inquiries about the furnishing of these rooms can be directed to Ernest Milton, Treasurer.

News From Some Of The Cottages

LEE'S COTTAGE

Friends, the holiday season is almost here, and all of us are looking forward to it.

Lee's Cottage is one happy place on Christmas morning. We have our Christmas tree before breakfast. Very few of us sleep the night before. Our Santa Claus is always good to us.

Howard and Jack Clark, from Lenoir, have come to make their home in our Cottage. We are glad to have them, and they act like "old timers" already.

Jack Jones had a nice visit with friends in Mooresville at Thanksgiving.

Charles Barrett enjoyed a visit from his mother recently.

We want to tell our good friends who have been making such nice warm quilts for us how much we appreciate them. We have all just received a new quilt for our beds and they are fine these cold nights.

We had a good dinner Thanksgiving. Our friends at Steele Creek always remember to send the chickens, the Mooresville Ice Cream Company never forgets that we like their ice cream, and the ladies in Blackall Memorial Church, Durham, recall that we like cake.

A lot of us are catching rabbits these frosty mornings.

The football season has ended. We had our annual banquet and the following of our boys received their letters:

On the 85-pound team: Fred Cole, Wilbur Coats, John Ammons, Stanley Smith, Thad Stevens, Billy Everett and Ed Blake. On the 100-pound team: Esau Davis, Bennett Baldwin, Amos Hardy, Bobby Whittle, Richard Shoaf, O. D. Mundy, and Stanley Smith.

We enjoyed having Mr. Cook's father preach for us several times while he was visiting here recently.

Miss Turner is spending the week-end with her parents at Laurel Fork, Va. Miss Neel is with us while she is away. We always enjoy having her substitute for Miss Turner.

We all send our best wishes for a Merry Christmas and a Happy New Year.

—The Lee's Boys.

WOMAN'S BUILDING
First Floor

Hello There,

Here we are again bringing you the highlights and headlines of the month.

We had lots of friends to visit us this month, but Santa hasn't showed up yet. We won't give up though.

We hope good ole Santa will fill our stockings like our basketball teams filled the basket when we beat Scotts Friday night. We hope we'll have even better luck with our conference games.

We would like to thank Sugaw Creek Church for the nice gifts they sent the Woman's Building girls. We would also like to thank Mr. Carter for inviting us to the show.

We sure do like our Christmas lights that some one gave to us. We are going to have a big tree with lights and everything in the middle of the campus. They have not finished it yet but so far it looks good.

The girls and boys are back from the Orphanage Conference

and they report that Sara Parcell was the life of the conference.

Mary Lynn Jones just can't understand why she isn't captain of the basketball team. But everyone else can.

Mary Ann McCormick asked Santa for something tall, dark and handsome, labeled "Bill". If any one can figure out what this is, please inform the press.

Although Joyce Weeks' heart belongs to Tommy, she still gets letters from Fort Screven in Georgia.

Our own little Ruth Cole has been receiving letters from Pearl Harbor, in Hawaii. We wonder when she will get her affections settled again.

Emma Eudy was seen Christmas shopping at the dime store. Wonder what she'll get Pleas for Christmas.

Does anyone know why "Jarvis" and "Bonk Bonk" don't have visitors from Charlotte on Sunday nights any more? Don't get excited girls, we just ask.

Why does Evelyn Coppedge like to go to Church at Davidson on Sunday nights. Could it be the brunette in the Choir?

Although Lillie McDonald got a late start practicing basketball, she is making up for lost time now. If she had another year up here she would probably be captain of the team.

Louise Martin doesn't blush every time she sees a certain '39 Ford the way she use to do. They say "an old flame never dies."

Does it, Louise?

We'll have to say "bye" and Merry Christmas.

Your Star Reporter,

Flora Newnam.

BABY COTTAGE

Hello Folks,

Here it is Christmas time again and we are all sitting on tacks waiting for Santa to come.

We want to thank "Daddy" Johnston for taking us to see "Banjo On My Knee" and "Mama" O'Kelley for taking us to see "Nobody's Children".

Our two big sisters, Janie Smith and Lilly Bryant, decorated our playroom for us Saturday.

Ray Powell, Peggy Joyce Land, Dwight Reid, Richard Vest, Edward Trawick, Lorene Brown, Lois Dellinger and Janie Smith went to Gastonia to spend the day in November. They reported a nice time. They wish to thank the nice people of Gastonia for such a nice time.

We have been having lots of visitors this month and we wish more people would come to see us.

Peggy Ann Collins, Jackie Porterfield, Carolyn and Mack Wickler, Helen Barnes, and Barbara and Louise Bradshaw have had visits from their people this month.

One night last week we were putting hand lotion on the girls faces and hands. They were complaining about them burning. We told them to blow them. Peggy Ann Collins sat up in bed and said, "It's my face burning. How am I going to blow it?"

We want to thank Mr. O'Kelley for the nice oranges he brought us. We also thank Aunt Callie and Mrs. Herring for the candy they brought us.

Lilly Bryant, Peggy Joyce Land

and Betty Jean McBride have gotten show tickets for doing good work in school.

The first grade boys and girls wish to thank Miss Straughn for taking them to see "Nobody's Children". In addition to the picture we saw the Miller's Dancing school review in which Mabel Milton, one of the girls on the campus, took part.

You will hear more from us next month.

—The Babies.

SYNOD'S COTTAGE

Dear Friends,

Just nine more days 'til Christmas. We just can't wait for Old Santa to get here. The last few days always seem the longest.

We have a big tree on the campus, decorated with Christmas lights. It is so pretty. We like to look at it.

We are helping fill forty-one Christmas stockings for a mission Sunday School in the mountains. We pasted pictures on the red stockings so they would look pretty. Some of our boys gave a little of their money to buy candy to put in the stockings.

Basketball has started. We are looking forward to going to the games here.

We want to wish you all a Merry Christmas and a Happy New Year.

—The Thirty-two Wiggles.

JENNIE GILMER

"January?" How time flies. Things have been "poppin'" during that time though. As we go to press Yule-time cheerfulness is in the air.

I fancy what Henry Pittman has been doing for himself since he made that point against Scotts. You can see it on May Shoaf.

There seems to be a gleam in Ernest Stricklin's eye. Wonder who it is. I'll guess: Dorothy Gibbs.

Pleas Norman isn't doing bad for himself. He says Margaret Presnell isn't such a bad c-o-k. That's where he is on Sunday night.

As I sit here typing away, who should come in, but David Burney. He hopes to enter the Society of Norfolk next summer. "Clarkston was too dull", he says. (I quote).

"Debunking last month's news!" Russell McKenzie is really going strong. His new address is Woman's Dormitory, not Mr. Kennedy's residence.

In case anyone would like to get in touch with Gwyn Fletcher on the week end, kindly write to 323 Walnut, Statesville. Confidentially the phone number is personal.

"Debunking last month's news": What you read about your homely reporter last month is propaganda should it be true, that he's changed his heart throb, (wish I had one). Let's keep it a secret.

Arthur Roach and Mott Price will meet January 1st, at 12:00 p. m. for a dual to see who gets Louise Brock. Mott brings the weapons.

Since Bill Brock has gotten his new station wagon he gets a mighty lot of attention from the gals, especially one I have in mind. Guess?

"Orchids" to Roland Hooten. I don't know what's gotten into him, but Geraldine Blue does. Boy! This is news!

Lacy Beshears gets "along", but the fact still remains, it's not the first time, Bertha. He will be down Sunday. Ask Ed Williamson about it; he knows—everything.

Cecil Starling is in demand. I wonder who'll be the lucky girl. Something tells me it will be Miss S. H. S. Don't ask where she lives.

The McCalls are still bachelors, but I don't see why Jack won't help his big brother Billy out. He's got two on his hands. Poor Goon. Tom's o. k. He's a wrestler; ask Cecil Shepherd.

Grover Ingram goes to the Post-office every night. Could it be that Mary Ann is down there? No it couldn't, it's Betty Whittle.

Dick Parrish, George Lewis, Hugh Norman, and Paul Horne are still holding their ground. Good luck in the future boys.

I remain your star reporter, leaving you with this in mind:

"The rains may come, the winds may blow,

But all the news, Lindsey will know."

HOWARD COTTAGE

Dear Friends,

It seems no time since we wrote you. Since we wrote you last Betty Williams went home to stay and we miss her very much.

The two twins, Betty and Peggy

Coffey, had a birthday December 9th and Miss Carpenter sent them a birthday card. They want to thank her very much. Ila Lee MacBride had a birthday also. We had a good time putting her under the bed.

We want to thank Mr. Carter for inviting us to the picture show. It was very good.

We have been having a lot of apples and, boy, don't they taste good when we get home from School.

Pearl Morgan and Ila Lee MacBride got the show tickets for the month; also Mary Ruth Gregory and Mabel Pearson.

We all are looking forward for Christmas and hope you have a Merry Christmas and a happy New Year.

—Peggy Coffey.

—Mary Ann Ryder.

INFIRMARY

Hello Friends,

We all had a very nice Thanksgiving, and now we are all thinking of Christmas.

We have had a glorious football season, and now we are looking forward to a good basketball season.

We get out of school December 20, for the Christmas Holidays, and will be glad! But, we have to take up school again December 31st. Right now, in this day and time, we are all studying very hard for our mid-term exams. We certainly will be glad when they are over.

We certainly appreciate Mr. Carter's invitation to us to see "Gambling on the High Seas", and "Flying Deuces". We enjoyed them very much.

We had a visit recently from Mr. Calhoun's brothers, and we are always glad to have them with us.

Our Matron, Mrs. McNatt, spent Thanksgiving with some of her relatives. While she was away, we enjoyed having her daughter, Rachel, with us.

We are happy to tell you that we have no patients right now, and we hope everyone will stay well for Christmas.

Here's wishing each of you a very Merry Christmas and a Happy New Year from Infirmary girls.

—Annie Sue Wilson
—Martha Price
—Lillie Belle Smith
—Elaine Faircloth
—Louise Brock.

WOMAN'S BUILDING

Second Floor

Here we are again bringing you the news and gossip of Second Floor combined through your most faithful reporters.

Grace Adams is the lucky one who finally landed Billy Brock's lonesome lovelorn heart. But, Leona Hall says that doesn't help her any. After chasing A. G. Norris for so long she's still in the same spot. (We think she's about to surrender.)

The Mid-Night Serenader (T-Bone Jarvis) isn't heard as often as she used to be because she was told it would make her prettier if she would go to bed an hour earlier. The better for her (if the results come) and us, too.

Binkie Baldwin, to her satisfaction, is now working on the W. P. A. after quite a few months in the kitchen and laundry of what she calls hard labor. (We all agree.)

"Hallowe'en" Royal has come to the decision that she would rather have John Lee come to see her instead of Willie. At that rate she will soon conquer romance.

Quite a few of our girls have been getting mail (or males) from Fort Jackson, S. C. But only one hears from Fort Screven, Ga. Why try to be different, Joyce?

Congratulations to Mary Parks, our "all Barium" basketball player. Looks like she's taking Isabel's place.

To Dot's regret, "Black-Out" Stricklin has again changed his heart throb. The press isn't sure but we have our ideas about him seeing "Glamor Girl" Johns n secretly. But as usual he will probably have another next month. (Don't rush him so, girls.)

"Smouchy" Jones has finally received some new glasses. The ones she's been wearing for about six years were getting pretty dull. To our eyes, they help her appearance, and we figure to her eyes they help our appearance, because she certainly is making a lot of compliments here lately.

Could it be we really look better or because it's near Christmas?

"Spooks" Allen (who knows all, sees all and by all means tells all) reports the case of Margie and Wallace doesn't make such an exciting love story after all. (It's a

Letter of Appreciation

There are a good many "thank you" letters officially written from Barium Springs every year, and the children in the Home have their say-so, too, when they write to express appreciation of money sent to Barium Springs for their clothes. These letters always pass through the hands of the clothing secretary and one recently written was of a nature that it was decided to reproduce it in the columns of The Messenger.

It is a newsy letter, gratefulness is aptly expressed, and another thing which stands out in the minds of the officials is the cordiality of the invitation that this letter-writer extended to the clothing people to visit Barium Springs. That invitation goes out from the authorities repeatedly, and now the public will know how the children feel about such visits. Anyone who comes is assured of a cordial welcome.

But, let the letter speak for itself. Here 'tis:

"I love to express my appreciation to you for sending the money for my clothes. You don't have any idea of how much I appreciate you always sending it. We always get such nice clothes. We are expecting to get our winter shoes pretty soon. I think we are going to receive a jacket to wear during the winter, also.

"I'm sure we'd all love to have you visit our campus just any time you can. I don't believe you have visited us yet, have you? You can always be sure to receive a hearty welcome at Barium anytime you wish to come. Won't you come to see us sometime?"

"Our football season has just started and we're hoping to have a good team this year. We have had a game with Morganton, and we won 31-0. Everyone had expected Charlotte to beat us, but we managed to hold them down and the score was 13-13. Last year we were beaten, but we were lucky enough to tie the score this time. Maybe, you were at the game on Sept. 27th. Were you? All the way around, it was a grand game.

"Tuesday night all of the high school students were invited to the Statesville Fair, and we really had a grand time. Tomorrow all of the grammar grade students are going to the fair, also, and I only hope they have as grand a time as everyone had last night.

"Last Saturday night Miss Clark, our matron, let our tenth grade girls give a party to our football boys, and everyone really enjoyed themselves.

"On November 1st we will have our Home-Coming game and we play with Albemarle. Why don't you and your friends come to see our game? We always have a big crowd on that day and I'm sure you would enjoy yourselves then.

"Mrs. —, will you please express my appreciation to your friends who have a part in clothing me? I'll never forget you and your kindness.

"Again I'm inviting you to Barium, and until then, I'm always

Your friend,

croo world, lonely hearts)

Why is it Jackie Newnam wants a coat so much. We thought she had her love to keep her warm.

Lorene Brown was seen talking to Santa about a little red truck for Christmas. We thought she had dropped those several years ago. But I think we were getting fooled.

Look for us mingled in with gossip next month. Because we never fail.

Adois,

ANNIE LOUISE

Hello Readers,

None of our girls went to the November birthday table, but several will go in December.

We all got new shoes last week. They were pretty and fit just like a top. We are expecting to get a new pair of bedroom slippers some time before Christmas.

Betty Lou Hooten, Elsie Vett, Mary Morgan, and Jean Stepp made show tickets in school for doing the best work in their classes.

Our big girl, Gertrude Bryant, went to visit friends in Greensboro and had a lovely time. She saw one of our old Barium girls, Nancy Parcell, whom we all love.

We have been to see two shows this month. One was "Knut Rockne All American", and it was a grand picture.

(Continued On Page Three)

1940 FOOTBALL SEASON (Continued From Page One.)

Lexington had the most pounds with the aforementioned results.

The following week was Home-Coming Day at Barium. By the way, this was the fourth Home-Coming affair as the Lexington game was a Home-Coming event - something like four thousand enthusiastic fans saw the Lexington game. One important thing about Barium's Home-Coming for the last few years has been the fact that it always rains on that day. This year was no exception and Albemarle, a fine big team, furnished the opposition. The final score was Barium 19, Albemarle 0. A grand game, in spite of the rain! The attendance at this game was confined to people in cars and there was a surprising number present.

One week later Kannapolis was entertained at Barium and it looked like Kannapolis was in the slump. It was either that or Barium had risen to an unusual peak. The final score was Barium 45, Kannapolis 0. Barium played everybody on the bench, but the more substitutes that went in, the harder they seemed to try, with the result that the score kept rolling up. This performance was continued a week later when Gastonia took the field against us. Gastonia played a very close game in 1939, with a final score coming in the last few minutes of the game, allowing Barium to beat by one point. This year Barium took off, right at the start and appeared irresistible. The final score being Barium 53, Gastonia 6. This score looks like a rout, but Gastonia displayed some most talented players - their passer, kicker and runner, Shepard and some tall pass catching ends, put on a beautiful performance.

The last game of the season was played at Salisbury at night on the Catawba College grounds. This was another big affair, with a large attendance and the game was brilliant! Both teams played hard ball. Barium received the kickoff made no ground on the first two plays, but on the third play, Gibbs from the wing back cut through the line and made about 20 yards, when he was tackled up, at exactly the right moment he made a perfect lateral pass to Roach who went the rest of the distance for a touchdown. In the second quarter a beautiful pass Roach to Gibbs, accounted for a second touchdown. Then Salisbury took over and brought the score up to within one point 14-13. Later on Barium drove the length of the field without relinquishing the ball for their third and final touchdown. Score, Barium 21, Salisbury 13.

The eleven men who started the first game against Morganton, were in this final game at Salisbury. A number of them had been substituted but none of them had missed any game on account of injury. A most remarkable season, especially since in every game that Barium played, they were the lighter of the two teams engaged. The line-up of this team is listed below. The backfield boys and the ends did the scoring, but those line-men were certainly in there knocking and keeping the other teams from scoring.

In the Midget games. Without attempting to give in detail an account of each game. We played Morganton twice in all three weights. We played Children's Home twice in the 100's and in 85-pound weights. We played Oxford Orphanage once in the 125 and 100 pound weights. We played Concord once in Reserves and C team and a second time in C team. The 125's won victories over Morganton, Alexander, Graham, Jackson, Training School, Concord, Kannapolis, Albemarle, Morganton, the second time and Kannapolis in their final games. The C team lost to Concord and to Victory Schools in Gastonia, won twice from Statesville and once from Concord. Jack Weeks was the tail-back and the brains, in addition to being the passer and the kicker for this team, whether it played as Reserves, as C team or as the regular 125-pound. He went good against the big boys he would meet in Reserves and when he played on the 125's and had boys to take his passes like Billings and Shroyer, he really went to town.

The other back-field men who gave splendid service on the team were Price, Stricklin, McKenzie, with Whittle occasionally seeing service.

The 100-pound team lost both games to the Children's Home, winning all the others - their victory over Oxford being quite an upset! The 85-pounders lost one game to the Children's Home, winning the second game from the Children's Home and both games from Morganton.

One of the special tries of the year was when the 125 and 100's met Oxford in Greensboro. This was a change from the old system of playing home and home games. Our 100-pound team surprised us by beating the strong Oxford team, and the Oxford 125's were surprised to beat our 125-pounders, but two perfect plays from scrimmage accomplished our defeat in that game. Our disappointment over losing this game was smothered or drowned by the fine dinner furnished by our Greensboro friend, Mr. Bill Preyer. The boys were taken to the Country Club and they tell us that chickens are still afraid to go near that place, from the number that were eaten on that particular day.

One of the features of the play of the smallest of the Midget teams, was an 80 yard touchdown from kick-off made by Ed Pinke. A new-comer on the 85-pound squad. A list of the players of all these teams will be found at the bottom of this article.

Before closing this article, we want to say a word about the officiating of the Midget games. All of our home games were handled by Roach, referee; Pittman umpire; Norman, head linesman; and Gibbs, field-judge, and they did a most satisfactory job and the fine quality of their work was commented on by the visitors in every instance.

BANQUET FOR FOOTBALL (Continued From Page One)

by Coach Gene McFever, of Davidson, who made comments on specific plays of the mixup.

Hugh Norman was announced and introduced as the 1941 captain of the varsity, succeeding Arthur Roach who led his team to eight victories, one tie and loss during the past season. Captain Roach was selected as the most valuable member of the team; Hugh Norman was named by his teammates as the best blocker and Donald Bolton was the choice as to the best tackler. All three of these won awards given by Alwyn Morrison in memory of his father and which are annually presented.

Three former members of the Barium football team, all of whom are now students at Davidson College, awarded the certificates to the midget teams. Ed Cole gave out the 85-pound certificates; Gene Shannon presented the 100-pound letters and Dave Spencer awarded these to the 125-pound team. Jos. B. Johnston presented the varsity certificates, announced the specific awards and in the course of his remarks revealed that Statesville and Spencer were being added to the 1941 schedule of Barium Springs. The announcement of a resumption of the annual engagement with Statesville was greeted with applause by both the visitors from Statesville and the Barium representatives.

The football motif, with the colors gold and black, was carried out in the decorations of the dining room. The center posts were wrapped in gold and black, miniature goal posts formed the center of the table with a row of ten large paper footballs, giving the names of Barium's opponents in 1940 and the scores of the games. Large yellow and black twig apples, which were grown in the local orchards, were used as stands for the paper footballs. Nut cups with small footballs on the front were at each place. Black and gold candles and bowls of small yellow chrysanthemums completed the decorations.

The following boys were presented certificates:

Eighty-five-pound team: John Ammons, Herman Blue, Thad Stevens, Scott Blue, Billy Everett, Gene Dunn, Stanley Smith, Fred Cole, Ed Blake, Wilbur Coates and Grady Mundy.

Hundred-pound: Bennett Baldwin, Leland Rogers, Roscoe Smith, Marshall Norris, Stanley Smith, Bobby Whittle, Richard Shoaf, John Hawley, O. D. Mundy, Amos Hardy, Clifton Barefoot, Esau Davis.

125-pound: Pleas Norman, Bill Tyce, Cecil Starling, Vance Smith, Ben Lewis, Paul Burney, George Norris, Jack Weeks, Mott Price, Russell McKenzie, Hervey Stricklin, Joe Long, A. C. Gant, Cecil Shepherd, James Shepherd.

Varsity: Ed Williamson, William Billings, George Lewis, David Burney, James Shroyer, Gwyn Fletcher, Joe Ben Gibbs

Income Distribution

For the first eight months of 1940-1941, Barium Springs' regular income from Synod had totaled \$23,326.07, which figures out for an average regular amount of \$2,913.26 per month. That very important period of receiving the Thanksgiving Offering was entered in December with a net difference of \$3,228 in the regular receipts from April through November, 1940, compared with the receipts for the same period a year ago.

Of the regular sum, Sunday Schools had sent \$10,838.39, which was equivalent to 46.5%; Church budgets had appropriated \$8,341.63, or 35.7%, and from Auxiliaries the sum of \$4,146.05, or 17.8%, had been received for the support fund. All of the regular total of \$23,326.07 was distributed among the nine Presbyteries and the organizations within them as follows:

Pres ytery	Ch.	S. S.	Aux.
Albemarle	\$ 207.18	\$ 597.40	\$566.92
Concord	1,544.28	2,062.02	452.40

A RECIPE FOR CHRISTMAS PUDDING.

Take some human nature - as you find it. The commonest variety will do -

Put a little graciousness behind it. Add a lump of charity - or two Squeeze in just a drop of moderation; Half as much frugality - or less,

Add some very fine consideration. Strain off all poverty's distress,

Pour some milk of human kindness in it. Put in all the happiness you can.

Stir it with laughter every minute.

Season with good-will toward every man.

Set it on the fire of heart's affection,

Leave it till the jolly bubbles rise.

Sprinkle it with kisses - for confection.

Sweeten with a look from loving eyes.

Flavor it with children's merry chatter.

Place it on a holly-garnished platter

Serve it with the song of Christmas bells.

shown substantial increases; in other instances, there have been noticeable decreases. Payments on church debts, the building of new churches or auxiliary plants to a church and local appeals generally have been cited as the major reasons for any decreases occurring. Whether the increases will offset the declines remains to be seen. A little better idea will be available for the January copy of The Messenger.

"A funny thing happened in my town last week," said the chatty man in the train.

"What was that?" asked a fellow traveler.

"Well, Black, a white man, and White, a colored man, thought a fellow named Brown was pretty green, so they tried to sell him a gray horse. But Brown deceived them both. In fact, he got all the money they had."

"And now?"

"And now Black and White are blue."

COTTAGE NEWS
(Continued From Page Two)

gum, Helen Morgan, Florie Vest, Juanita Young and Kathleen Monroe spent the day in Gastonia not long ago. They enjoyed it so much. Everyone was so kind to them.

At the Second Presbyterian Church in Charlotte, Gwendolyn's home town, Mary Morgan, Gwendolyn Landrum and Jean Steppe and others gave a Thanksgiving program.

We had Thursday and Friday as holidays. We had a good Thanksgiving dinner. The ice cream was given by Mooresville Ice Cream Company. It surely was good. Thanks. Like to thank our friends of Blackall Memorial at Durham for such lovely and good cakes and the Steele Creek people for those big fat chickens.

Betty Joe Smith sent Thanks giving with Frances Patterson at Huntersville. She reports having a grand time.

We thank the Business Women's Circle of Belmont for the lovely Thanksgiving gift. It was fixed up so pretty.

Christmas is almost here. Are you glad? We are. You know Santa is a good old man. He not only gives us presents but teaches us lessons in giving also.

Hope each one of you will have a Merry Christmas and a Happy New Year.
